

LILLOOET COMMUNITY FOUNDATION

The Lillooet Community Foundation allows *YOU* to “give back to Lillooet”

The Lillooet Community Foundation is *YOUR* organization. Established in 2007, the Lillooet Community Foundation is an endowment fund established to improve the social, cultural, artistic, educational, and recreational well-being of the residents of Lillooet.

Your contribution, large or small, lives on in perpetuity to support the changing needs of your community and is your way to keep alive the hard work of hundreds of volunteers in Lillooet who have established programs for future generations.

If you can provide a one-time gift of \$25 or more, we will send you a tax-deductible receipt. However, we appreciate any amount of contribution that you can provide.

What is a Community Foundation?

A community foundation is a collection of charitable gifts both large and small. These gifts are pooled and invested and the investment income is distributed as grants to local non-profit organizations. The capital is never touched, continues to grow with each new gift, generating income to meet a wide range of community interests, and needs for years to come.

The Kamloops Foundation administers the Lillooet Community Foundation funds. Community foundations are registered with the Canadian Customs and Revenue agency as tax-exempt “public foundations”. They have a duty to be accountable to the community for the use of these funds.

Donors are recognized and recorded in the Kamloops Foundations annual report, or they can remain anonymous if they so desire.
