

Lillooet Community Response

The District of Lillooet is working alongside community members and local shops to help create a delivery system for individuals who are choosing to self isolate. If you are in self isolation and require necessities brought to your location please contact us.

We are currently working with:

- Country Store
- Buy Low Foods
- Pharmasave
- IDA

This is a volunteer delivery service, however the payments will be conducted between yourself and the store. Currently our protocol is that the store manager will phone you for the necessary credit card information. The volunteers will not be handling cash or the credit card information.

Email us at ask4help2shop@lillooet.ca or phone us at 250 256 9394

Please include in your message:

- a list of your delivery needs
- a drop off address
- a phone number

Please be patient with us as we continue to adapt to the evolving demands of this complex situation. If you are looking for ways to help, you can reach out to lillooetvolunteerconnect@gmail.com
